

Accessing Zoom Meetings in Blackboard

When getting ready to access your web conference course room, navigate to your Blackboard page, look to the course menu/toolbar at the left and click on 'Zoom Meeting'.

You will be redirected to the Zoom homepage for the course, where you will select 'Start' for the specific date.

A screenshot of the Zoom homepage. At the top, it says "zoom" and "Your current Time Zone is (GMT-05:00) Eastern Time (US and Canada)". There is a button for "Schedule a New Meeting" and a link for "All My Zoom Meetings/Recordings". Below this are tabs for "Upcoming Meetings", "Previous Meetings", "Personal Meeting Room", and "Cloud Recordings". There is a checkbox for "Show my course meetings only". A table lists upcoming meetings with columns for "Start Time", "Topic", and "Meeting ID". The first row shows a meeting on "Wed, Jan 27 (Recurring) 10:30 AM" for "Spring 2021 GPLS 790 Advanced Cancer Biology" with Meeting ID "997 6564 873 3". The "Start" button for this meeting is circled in red. The second row shows a meeting on "Fri, Jan 29 (Recurring) 10:30 AM" for the same topic and Meeting ID, with a "Delete" button.

Then, simply follow the onscreen instructions to join the Zoom meeting.
