

When the menu appears select 'Grade Attempts'

The screenshot shows a course management interface with a navigation bar at the top containing 'My Institution', 'Courses', 'Community', 'System Admin', and 'My One Card eAccount'. Below the navigation bar, there is a section for 'Assignments' with a sub-header 'Calculations' and options for 'Manage' and 'Reports'. A table displays student scores for various assignments. A context menu is open over the table, listing several actions. A red arrow points from the text 'When the menu appears select 'Grade Attempts'' to the 'Grade Attempts' option in the menu.

Special Topics #5:

Dr. Ward's lecture on dystrophin was very fascinating and getting a lecture on current research going on in the field was very insightful. The view point of how we view cytoskeleton structural alterations as a disease modifier, was quite a unique view point. Typically, we view the phenotype as the importance of the disease but understanding that these phenotypes arise from a deeper underlying
