

MOLECULAR MEDICINE Ph.D. PROGRAM

Alumni Update Form

Congratulations on your near or recent completion of the PhD Program in Molecular Medicine. Please complete this form, so that your contact information and post graduate plans can be updated in an alumni database. We would like to keep in touch and inform you about future opportunities and events. We are also curious to hear your feedback regarding program strengths and weaknesses. Please complete the form below, return to us at your earliest convenience and also be sure to visit the GPILS alumni site at: <http://lifesciences.umaryland.edu/pages/alumni/>
