Section Four – Student Signature

I have spoken to the above mentioned mentor in section three. He/she is in my desired track and has agreed to fund my doctoral dissertation research in his/her lab and serve as my faculty mentor for the duration of my studies in the Molecular Medicine program.

At this time, I am just indicating my track selection as I have not selected my mentor, but I plan to do so before the end of the summer session. I will notify the Academic Services Specialist of my mentor selection by August 31st.
